play +
pray
challenge

THIS JUNE

Plan and go on a **DATE NIGHT**.

Take time to be alone together as spouses to rekindle your friendship and the love between you.

Organize a fantastic **FAMILY DAY**.

Bring everyone together to have fun while you make memories on this one day dedicated to your family.

Proclaim Jesus Christ as the **KING OF THE HOME**.

Jesus loves families and He wants their love in return! Place an image of the Sacred Heart in your house and “enthroned” Him as King sometime during this month.

Post pictures of your family doing the family day, date night, and your image of the Sacred Heart on social media, and add **#playandpraychallenge** to spread the word. Together we can all spread the kingdom of Jesus Christ into every home!
